GOKONGWEI BROTHERS FOUNDATION CLASS BUILDER PROGRAM QUARTER 1
EXPERIENCE SURVEY FOR MATHEMATICS TEACHERS (GRADES 3-6)

1. The Department of Education Caraga, in partnership with the Gokongwei Brothers Foundation (GBF), is conducting a comprehensive survey to gather feedback from Grade 3 to 6 Mathematics teachers currently enrolled in the GBF Class Builder Program for Quarter 1 of School Year 2025-2026.
2. This survey aims to gain deeper insights into the impact and effectiveness of the GBF Class Builder Program, identify areas for improvement, and enhance the program's responsiveness to teachers' and learners' needs. Insights gathered will help strengthen STEM education across the region.
3. Attached is the official request from GBF, including survey details, previous participation data, and current enrollment statistics for your reference.
4. All **Grade 3 to 6 Mathematics teachers in the region enrolled in the Program** are strongly encouraged to participate. The target is to achieve more than 50% participation across all School Division Offices to ensure meaningful data collection.
5. For any questions, clarifications, or technical assistance regarding this survey, please contact Ms. Rhea J. Yparraguirre, Education Program Supervisor in Mathematics, Curriculum and Learning Management Division, at **rhea.yparraguirre@deped.gov.ph**.
6. The survey deadline originally set on September 12, 2025, has been extended to **September 19, 2025**.
7. All concerned are directed to disseminate this memorandum promptly and provide full support to meet the participation target.

8. For guidance.

Dear Director Asuncion,

Warm greetings!

We, at Gokongwei Brothers Foundation, sincerely value our ongoing collaboration in strengthening STEM education across the country. Through the GBF Class Builder program, our partnership has played a key role in making a meaningful impact on educators and students alike.

As part of our continued commitment to gaining deeper insights into the impact of our program, we are conducting a survey for **Grade 3 to 6 Mathematics teachers** in your region who are enrolled in the GBF Class Builder regarding their experience with the program for Quarter 1. We kindly request your support in encouraging them to **complete the survey below on or before September 12, 2025 through the issuance of a memorandum**. We believe that teachers will be more encouraged to actively participate in sharing their valuable feedback and experiences through this directive.

We are sharing these figures and data with you in the hope of working together to encourage a 100% survey turnout from teachers in your region. With more voices represented, we can gain deeper insights into how the program is being used and identify ways to make it more responsive to teachers' and learners' needs. At the same time, we also aim to strengthen the program's adoption in your region and increase the percentage of teachers with high usage. Your support in this effort will be instrumental in helping us refine the program and ensure that it delivers greater value to both teachers and students.

Please let us know your confirmation to our request above, or if you require any additional details. We look forward to this opportunity to work closely with you in building the future through quality education.

Sincerely,

ANGELA DIANNE AGUSTIN
