**CONDUCT OF DEPED COMPUTERIZATION PROGRAM (DCP) MONITORING /
SPOT CHECKING**

1. The ICT Unit, as the mandated entity to ensure an effective implementation of DCP, will conduct a monitoring/spot checking activity to the identified DCP recipient schools.
2. This activity aims to monitor the effectiveness of DCP implementation to the school beneficiaries of the 12 divisions. The specific objectives include:
 - Validate and monitor the utilization of the DCP package among the schools' recipients;
 - Provide ICT Technical assistance with regard to the utilization of the package
 - Oversee the conduct of implementation for the newly installed DCP package;
 - Collect DCP related data and evaluate the result for decision making.
 - Come up with the status report regarding the implementation of the school DCP maintenance schedule.
 - Gather DCP issues and concerns for appropriate interventions
3. The regional monitors composed of the three (3) regional ICT personnel will be assigned to different divisions. Below are the schedules of their monitoring.
