DATE : October 4, 2024

The Department of Education, through the Bureau of Education Assessment (BEA), in coordination with the Bureau of Alternative Education (BAE), will administer the Accreditation and Equivalency (A&E) Test in January 2025.

In preparation for this, we kindly request your office's confirmation on whether the same testing centers used in 2018 will also be utilized for the forthcoming A&E Test. For reference, the list of 2018 A&E testing centers can be accessed via this link <https://bit.ly/2025AandETestRegandCenters>.

To finalize the list of testing centers, we would appreciate it if your office could submit the official list of A&E registration and testing centers for 2025 using the attached template by **October 8, 2024**. Please upload both the signed and editable list using the provided link.

For our baseline data, we request that your office also include the projected number of test registrants for both elementary and junior high school levels. This information is important for BEA to determine the number of test materials to be procured.
