MARIA INES C. ASUNCION, PhD, CESO IV
Regional Director
Department of Education
Caraga Region

Madam:

Greetings of peace and good health!

The College of Education of Caraga State University is excited to share that we are considering the opening of a new academic program, the Bachelor of Physical Education (BPEd) and Bachelor of Culture and Arts Education (BCAEd). As we begin this process, we recognize the importance of gathering valuable insights and feedback from key regional stakeholders.

This survey will be carried out by our dedicated core faculty members of the Physical Education program and will target senior high school students, faculty, and other education professionals within the Caraga Region. We aim to understand the level of interest, expectations, and potential needs for this new program. We believe that the Department of Education's students' and professionals' insights will be particularly valuable in this endeavor. By involving a diverse group of participants, we hope to capture a well-rounded perspective that will help us determine the viability and potential success of the program, ensuring that it aligns with the needs and expectations of our future students and the broader educational community.

We assure you that all survey responses will be kept confidential and will be used solely for the purpose of program development. Moreover, we are more than willing to share the survey findings with your institution once they are completed, as we believe in a transparent and collaborative approach.

We would greatly appreciate your support in this initiative and look forward to the possibility of working together to enrich the educational opportunities available in our community.

Thank you very much for considering our request. Should you have any questions or need additional information, please feel free to contact Dr. Charito C. Rodriguez at this number 09099993585.

With sincere appreciation,

LEO L. CODILLA, JR. EdD
Dean, College of Education

**Employer's or Administrator's Interest Survey on the Proposed
Bachelor of Physical Education (BPEd) and Bachelor of Culture and Arts
Education (BCAEd) Program of Caraga State University Main Campus**

Dear Participant:

A pleasant day! Caraga State University-Main Campus is at the forefront of pioneering the Bachelor of Physical Education (BPEd) and Bachelor of Culture and Arts Education (BCAEd) program, a pivotal endeavor aimed at broadening the academic offerings within the esteemed College of Education.

The BPEd and BCAEd program aims to produce physical education graduates who are imbued with values and whose knowledge and skills will respond to the national and global demands. Moreover, it will prepare and train qualified students to teach Physical Education and Culture and Arts in Education, from pre-k through 12th grade. With this baseline competency, graduates are often also qualified to teach various aspects of fitness and physical wellbeing to other types of groups as well as individuals.

As we embark on this journey, your input becomes invaluable. Hence, we are reaching out to gauge your interest in the BPEd and BCAEd program through this survey.

Your participation is greatly appreciated. Should you have any inquiries prior to completing the survey, please feel free to reach out the College of Education via email at ced@carsu.edu.ph.

By proceeding with the survey, you consent to the inclusion of your responses for data analysis by the faculty of Caraga State University (CSU). Rest assured, your identity will remain confidential in accordance with the Data Privacy Act.
