HON. JUAN EDGARDO "SONNY" ANGARA

Secretary

Department of Education

DepEd Complex, Meralco Avenue, Pasig City, Philippines

Dear Hon. Sonny Angara:

Warm greetings from the Mathematical Society of the Philippines - Caraga Chapter!

In preparation for the upcoming Philippine Mathematical Olympiad (PMO), we are pleased to inform you that the Mathematical Society of the Philippines (MSP) – Caraga Chapter will host the **2024 MSP-Caraga Mathematics Olympiad Readiness and Coaching for Excellence Training (MORCET)** on November 3, 10, and 17, 2024 via Google Meet.

The prospective participants include mathematics teachers and students (high school and elementary level), as well as parents who are interested in gaining knowledge to assist their children for PMO and mathematics competition. MORCET aims to achieve the following objectives:

- (1) Enhance the mathematical problem-solving skills of coaches and contestants in preparation for the PMO and other mathematics competitions.
- (2) Train coaches in effective strategies for guiding students through Olympiad-level problems.
- (3) Foster collaboration between students and coaches in preparation for national and international mathematical competitions.
- (4) Deepen the understanding of mathematical concepts, especially in advanced problem areas such as algebra, geometry, number theory, and combinatorics, geared to excellence in mathematics.

We extend our invitation to all mathematics teachers and students. Interested individuals may register through this online Registration Form: <https://bit.ly/2024MSP-CaragaMORCET>.

In line with this, we respectfully request the support of the Department of Education. We kindly request your assistance in endorsing and disseminating information about the online training to your network of teachers and students across Caraga Region.

For your reference, we have attached the following documents. General information about the organization, MSP SEC registration, and Program, Project, Activity (PPA) Profile.

We deeply appreciate your consideration of our request and look forward to the possibility of collaborating with you in promoting excellence in mathematics and mathematics education.

Yours truly,
