DepEd MEMORANDUM
No. **27**, s. 2016

**ESTABLISHMENT OF BARANGAY HEALTH STATION (BHS), A DOH CLINIC
IN PUBLIC ELEMENTARY SCHOOLS**

To: Undersecretaries
Assistant Secretaries
Bureau and Service Directors
Regional Directors
Schools Division Superintendents
Public Elementary Schools Heads
All Other Concerns

1. The Department of Education (DepEd) supports the Department of Health (DOH) and the Department of the Interior and Local Government (DILG) in the implementation of its Health Facility Enhancement Program (HFEP) as one of the major pillars of the *Kalusugan Pangkahalatan*, which envisions quality health care to be more accessible to the poor and vulnerable population through ensuring a functional Barangay Health Station (BHS) in every barangay.

2. In this connection, DepEd and DOH, together with DILG, forged a partnership to establish a PhilHealth TSeKAP (*Tamang Serbisyo para sa Kalusugan ng Pamilya*) accredited BHS within public elementary schools in barangays without an existing BHS. Thus, DepEd is committed to provide a lot or portion of the property not being actively utilized in public elementary schools in barangays without an existing BHS and other government health service units.

3. In view of the implementation of the program, the schools must be validated jointly by the DOH and DepEd. A preliminary enclosed list of public schools in barangays has been prepared, which will be the basis of the joint validation.

4. Therefore, the following should be performed:

a. The DOH representative should meet with the schools division superintendent (SDS) to conduct validation of the schools with DepEd engineers, keeping in mind the following criteria:

- i. There is buildable space in the school;
- ii. The space identified is accessible by use of a separate gate other than the main gate of the school; and
- iii. The space identified has not been previously identified for classroom construction from any source of funding.

b. If earlier sites identified are not feasible, the SDS may identify/recommend other school sites in the same barangay that need a BHS.

c. The DOH representative shall prepare a report containing the recommended list of schools duly signed by the school head/principal and the SDS. The said list shall be submitted to the DepEd Central Office – Office of the Chief of Staff on or before **February 29, 2016** for one final validation.

5. Immediate dissemination of this Memorandum desired.

Secretary
