REGIONAL MEMORANDUM

No. 206, s. 2020

To: SCHOOLS DIVISION SUPERINTENDENTS
This Region

CONDUCT OF THE VIRTUAL REGISTRATION OF THE REMAINING
UNREGISTERED SCHOOLS IN THE RADaR SOFTWARE APPLICATION

1. The maintenance of the DRRM Information System has been completed and the Division Offices and schools may now able to continue with the registration. As a feedback on some of the issues, the Central Office is still working on a total of 361 users for manual enrollment that are yet to be uploaded to the system and are still in the queue to be registered. Likewise, schools with multiple users for enrollment will still be checked.
2. Meanwhile, as of April 5, 2021, DepEd Caraga has successfully registered 96% of the schools in the Rapid Assessment of Damages Report (RADaR) Software Application. To hasten the registration of remaining schools, all Schools Division Offices that have yet reached completion are requested to review the list of unregistered schools based in the raw data of CO-DRRMS as herewith attached for reference.
3. SDOs will have to ensure that all new schools submitted to the Central Office are not in the system database. All new schools not in the database (baseline SY 2019-2020) are excluded from the target number of schools registered per Division Office. Manual enrollment of the new schools to the system still needs acceptance by the system developer in coordination with Planning Unit. Hence, the remaining 4% (78) of schools are assumed "not new" and therefore need to retry registration.
4. SDOs that have yet reached completion shall have to provide one-on-one technical assistance to the schools to ensure their successful registration. To fast track the registration of the said schools, this office will conduct the virtual simultaneous registration on **April 8, 2021** at 9:00am via Google Meet link: meet.google.com/qkj-zkec-tuh.
5. Participants are the 12 Division DRRM Coordinators and the 78 School DRRM Coordinators of the unregistered schools. To better manage the activity, only the intended participants are allowed to join. Participant must only use 1 account to avoid congestion in the platform, preferably his/her official DepEd e-mail add.
6. Further details shall be presented during the briefing prior to the actual simultaneous registration of schools. Schools are required to establish strong internet connection or move to an area where it is accessible.

7. SDOs with unregistered schools must remain for the whole duration to approve the schools' enrolment thru the Division Coordinators' account. Divisions of Bayugan City and Siargao Island are requested to facilitate in the presentation of the step-by-step registration process. Other SDOs will monitor the progress of the schools and assist when needed.
8. The support of the SDOs is highly appreciated as this reflects the over-all accomplishment of DepEd Caraga.
9. For immediate dissemination.
