DR. FRANCIS CESAR B. BRINGAS, CESO V
Regional Director
Department of Education
Caraga Regional Office
J. Rosales Ave., Butuan City

Dear Director Bringas:

Good day!

The Department of Science and Technology (DOST) Caraga was selected by Coursera as a partner government agency in the Philippines for the **Coursera Workforce Government**: a learning program to back-up unemployment due to automation and new skill requirement, while we are transitioning to the "new normal" with the corona virus disease (CoViD) 19 pandemic.

This program is being initiated by Coursera, the world's leading online learning platform, offering around 3,800 courses from top universities and industries worldwide. The courses include company-specific training programs from Coursera partners like Google and IBM, as well as courses in the areas of cloud computing, emerging technologies, machine learning, big data, and other business-specific training.

Coursera will provide the recipient individuals with free access and provision of certificate for courses to be taken until December 2020. Grantees can take as many courses as they can within this period. The last course enrolment will be on September 30, 2020.

With this, we are pleased to provide twenty (20) slots for your agency. Should you be interested to avail this program, kindly accomplish the attached form in digital and MS Excel format, for our evaluation and approval.

Registration shall be done thru coursera.org using the email addresses submitted to us.

For further clarifications, please feel free to contact us thru email dost13@caraga.dost.gov.ph.

Thank you and stay safe.

Very truly yours,

DOMINGA D. MALLONGA
Regional Director
