SUBJECT : **Request for AVP Presentations for the 2021 ASEAN and
SEAMEO Webinar Series (Session 4) on 28 May 2021**

DATE : 14 May 2021

Background

The Department of Education, through the International Cooperation Office (ICO), is conducting the 2021 ASEAN and SEAMEO Month Webinar Series to promote stakeholder awareness on these two regional organizations. The webinar series will be held once a month from February to November 2021. The webinar series aims feature relevant issues and sharing of policy responses related to COVID-19 from the Southeast Asian region to provide the policymakers and stakeholders with a platform to engage with one another.

Anchored on the SEAMEO 7 Priority Areas, the 4th session of the series will have the theme "Early Childhood Care and Education (ECCE) in a Post-COVID-19 Era." The session will be held on 28 May 2021 at 2:00 PM – 5:00 PM (Manila time).

Webinar Objectives

This particular session aims to present the different initiatives of the Southeast Asian region, the Philippines, and the Department of Education have in promoting quality early childhood care and education. The open forum will also explore the future of ECCE after the COVID-19 pandemic and how the invited organizations will cope with the New Normal future setting.

Finally, towards the end of the webinar, we will be highlighting innovative practices of DepEd schools in providing home-based learning to children of early age.

Clear Statement of Request and Recommended Action

In this regard, we would like to request for audio-visual presentations (AVPs) from DepEd schools/divisions in your respective regions that highlight innovative practices in providing home-based learning to Kindergarten to Grade 3 learners.

The session will be joined by different organizations that promote ECCE in Southeast Asia and the Philippines. Additionally, the webinar will be hosted via StreamYard and will be broadcasted live at the DepEd PH and DepEd-International Cooperation Office Facebook pages.

We look forward to receiving the AVP submissions **on or before 24 May 2021** for finalization of the line-up.

For further coordination, your staff may contact the International Cooperation Office through electronic mail at ico@deped.gov.ph.

Thank you very much.

INTERNATIONAL COOPERATION OFFICE

2021 ASEAN AND SEAMEO WEBINAR SERIES

CONCEPT NOTE

Background

The International Cooperation Office (ICO) is anchored on the goal of enhancing the institutional capacity of the Department of Education in developing, coordinating, managing, and consequently, fulfilling international commitments of the country. The office is also mandated to serve as the clearing house for all international transactions within the Department of Education and to strengthen the ties of the Department to its international partners, including bilateral and multilateral cooperation.

As the Philippine representative to ASEAN education sector and SEAMEO, the Department of Education serves as the main focal point for regional initiatives related to education. Thus, it is part of ICO's mandate to facilitate cooperation between the Department and its partner agencies and organizations.

ASEAN Declaration on Declaration on Culture of Prevention

The ASEAN leaders adopted the Declaration on Culture of Prevention (CoP) for a Peaceful, Inclusive, Resilient, Healthy and Harmonious Society at the 31st ASEAN Summit on 13 November 2017. The Culture of Prevention Agenda aims to promote and embed a culture of preventive mindset at all levels to address the root causes of social issues including violence, environmental degradation and quality of life. One of the lead sectoral bodies of the six (6) thrusts of the CoP is the Senior Officials Meeting on Education (SOM-ED), in partnership with the Senior Officials Responsible for Information (SOMRI). Specifically, SOM-ED and SOMRI lead the implementation of Thrust 6 on promoting a culture supporting the values of moderation.

Development of the ASEAN Work Plan on Education 2021-2025

The ASEAN Work Plan on Education 2021-2025 is currently being reviewed by SOM-ED to ensure that relevant education issues and concerns in ASEAN are addressed by the new Work Plan. One of the priorities of the Philippines, as SOM-ED Chair, is to promote enhanced regional cooperation on all levels of education, including basic education, higher education, and TVET. Especially in this time of pandemic, it is of utmost importance that policy reforms and regional efforts are responsive to the demands of society and inclusive to all sectors of society.

SEAMEO 7 Priority Areas

The Southeast Asian Ministers of Education Organization (SEAMEO) is a regional intergovernmental organization, established in 1965, that promotes regional cooperation in education, science and culture in the region.

SEAMEO aims to improve people's lives in the Southeast Asian region through quality and equity in education, preventive health education, culture and tradition, information and

communication technology, languages, poverty alleviation and agriculture and natural resources.

The organization, with its 26 regional centres and network, anchors its projects and programmes on the SEAMEO 7 Priority Areas (2015-2035). In this time of uncertainty and crisis, these priority areas served as the foundation for SEAMEO's policy responses and recommendations for its members. True to its mandate, SEAMEO has provided innovative assistance to its members in the form of online training, online discussions, and policy recommendations during the pandemic.

Anchored on these, the International Cooperation Office, in partnership with the ASEAN Secretariat and the SEAMEO Secretariat, is conducting the **2021 ASEAN and SEAMEO Month Webinar Series** which will be held once a month from February to November 2021. Following Brunei Darussalam's theme for its ASEAN Chairmanship this 2021, *We Care, We Prepare, We Prosper*, the ICO webinar series will feature relevant issues and sharing of policy responses from the Southeast Asian region to provide the policymakers and stakeholders with a platform to engage with one another. The following are the list of webinars to be conducted this year:
