1. As a key feature of the K to 12 Basic Education Program, nurturing holistically developed Filipinos means going beyond basic competencies and equipping them with knowledge, skills, values, and attitudes that are integral for success in today's fast-changing world. Opportunities to learn 21st-century skills (21CS) are essential, and so appropriate assessment practices that support the teaching and development of these skills need to be implemented.

Anchored on the Department of Education's (DepEd) *Sulong EduKalidad* initiative, the Bureau of Learning Delivery – Teaching and Learning Division (BLD-TLD) will spearhead the **Development of Performance Tasks for Assessing 21st Century Skills in Key Stage 2** as an important step towards promoting the integration of 21CS in teaching, learning and assessment in schools.
3. Specifically, the objectives of this project are the following:

 - b. Build a repository of standards-aligned performance tasks that schools may access to support 21CS development in Grades 4, 5 and 6
