FROM :  **JESUS L.R. MATEO**
Undersecretary for Planning and Human Resource and Organizational Development

SUBJECT : **Online Consultation Workshop on School Organizational Structure and Staffing Standards**

DATE : 21 June 2021

Staying committed to contributing to DepEd organizational success, the Bureau of Human Resource and Organizational Development (BHROD) acknowledges the changes in the internal and external environments and needs of key stakeholders and focuses on organizational strengthening and development and as well as employee performance and development. Integrating school and teacher effectiveness requires the department and its organizational units to undergo the Organizational Development (OD) cycle consisting of

Organizational Assessment. Hence, the Department of Education through the Bureau of Human Resource and Organizational Development – School Effectiveness Division (BHROD-SED) is spearheading the review of the *School Organizational Structure and Staffing Standards*. Based on the existing issuances of DepEd and DBM, including the current school organizational structure and context, BHROD -SED has started to study and do an inventory of the school staffing per typology with the aim to provide a standardized reference. With this initiative, an initial draft on School Organizational Structure and Staffing Standards has been made.

Given this, the BHROD-SED shall be conducting a three-day **Online Consultation Workshop** to further discuss and validate the draft standards. More specifically, it also aims to:

- 1) Gather additional information on school organizational structures and staffing standards per school typology in the elementary and junior high schools;
- 2) Conduct process review of the different school tasks; and
- 3) Capture the voices of the field to ensure that policies and standards developed at the national level are responsive to the diverse needs of our learners.

The target participants for this workshop are identified in **Attachment 2, List of Participants**. School-based participants are required to bring an official copy of their respective school organizational structure, School Form 7 (SF7), and their latest Annual Implementation Plan (AIP) for reference during the workshop. For the **Indicative Program of Activities**, please refer to **Attachment 1**.

The online consultation workshop shall be conducted in three batches with specific schedules and zoom links stipulated below:

Batch	Schedule	Day 1		Day 2		Day 3
