ACCESSING AND VERIFYING OF E-CERTIFICATES FROM THE
TRAINING CERTIFICATE MANAGEMENT SYSTEM (TCMS)

1. The regional office ICT Unit has changed the Uniform Resource Locator (URL) of the Training Certificate Management System (TCMS) from <http://cert.depedcaraga.com> into a more secure URL <https://cert.depedcaraga.net>.
2. In connection to this, all E-Certificates sent to training participants' emails before September 19, 2021, will contain a QR code that attaches the old URL and when scanned, it will return nothing implying that the E-certificate is not found in the system.
3. All participants are advised to download and print their e-certificate/s using the new URL when transacting with the Professional Regulation Commission (PRC) and/or other agencies that are using QR Code in verifying the authenticity of the document.
4. To access your E-certificate, scan the QR code using any QR code scanner and open the result in your web browser and then replace the ".com" with ".net".
5. Attached is a step-by-step guide on how to access your old E-certificate.
6. For your information and guidance.
