SUBJECT: RESEARCH PORTAL SOFT LAUNCH AND ORIENTATION

DATE: November 18, 2021

The Department of Education (DepEd) continues to strengthen the culture of research across the basic education system and promote an environment of evidence-informed policymaking. In support to this, DepEd, through the Policy Research and Development Division – Planning Service (PS-PRDD) in partnership with the Information and Communications Technology Service (ICTS), developed the official research portal “e-Saliksik” which shall serve as the official repository for all research completed by DepEd employees and offices. Moreover, to ensure that all research to be uploaded in the said portal are of quality, PS-PRDD also developed quality control tools (i.e., Quality Control Checklists for Completed Basic and Action Research) that will be embedded as part of the quality assurance procedure in accepting completed research.

To operationalize the research portal and ensure that research committees in the field are properly onboard relative to the implementation of e-Saliksik, PS-PRDD will conduct a **Virtual Soft Launch Ceremony and Orientation on December 6, 2021 (Monday) at 9:00 AM via MS Teams.**
