MARIA INES C. ASUNCION. PhD, CESO IV
Regional Director
Department of Education
Caraga Region

Madam:

Greetings of good health, peace, and abundance!

On behalf of the Caraga State University (CSU) and the College of Education, I am writing to respectfully request the issuance of a regional memorandum addressed to the field, particularly to schools and administrators within the region. This memorandum will inform them of the university's initiative to conduct a feasibility study for the proposed Bachelor of Early Childhood Education (BECED) program on December 4, 5, and 6, 2024 at Surigao City National High School. As part of this initiative, we will provide the links of the Google Forms for participants to answer surveys related to this study.

The feasibility study aims to collect valuable data and insights from schools in the region to ensure that the proposed program aligns with the needs and aspirations of learners, educators, and stakeholders. To achieve this, we will also need the support and cooperation of SPTA Officers, Barangay Officials, and other community members from the identified schools in conducting the surveys. As an institution committed to contributing to quality education, we believe that introducing this program will further support the Department of Education's goal of enhancing early childhood education in Caraga Region.

We understand the importance of maintaining transparency and coordination in undertakings that involve schools under the Department's jurisdiction. Hence, we humbly request the issuance of a regional memorandum to ensure proper communication and collaboration with the concerned schools and administrators. We are confident that this initiative will pave the way for fruitful partnerships in achieving our shared vision for quality education.

Should you require additional information or documentation to support this request, please feel free to reach out to Dr. Marichu D. Tulang, Jereco F. Cultura, or Russell Dave A. Lanzaderas via email at mdtulang@carsu.edu.ph, jfcultura@carsu.edu.ph, and rdalanzaderas@carsu.edu.ph, respectively. Alternatively, you may contact them directly
