BULLETIN, AND RESEARCH SUCCESS STORIES (VOL. 1)

1. Consistent with the Department's goal of strengthening the research culture and promoting evidence-based decision-making, the **Policy, Planning, and Research Division (PPRD)** announces the official upload of various research knowledge products to the regional website: <https://caraga.deped.gov.ph/>.
2. These publications are designed to showcase completed Basic and Action Research, facilitate the utilization of findings, and bridge the gap between research and practice. The following materials are now available:
 - a. **Research Bulletin:** A compilation of studies aimed at improving policy and classroom-level interventions.
 - b. **Research Success Stories (Volume 1):** A collection of narratives featuring researchers whose work has significantly impacted the implementation of projects, policies, and services.
3. In addition to these publications, the office highlights that the **Research Information System (RIS)** at <http://portal.depedcaraga.site/> is fully operational. This portal is regularly updated to serve as a research inventory and reference repository through the active guidance of the **Division Research Focal Persons**.
4. All Schools Division Offices (SDOs) and regional functional divisions are encouraged to utilize these resources to inform their strategic planning and service delivery.
5. Immediate and wide dissemination of this Memorandum is desired.
